

VISTA'S HOMELESS: A challenging and comprehensive discussion

It was standing room only at the Shadowridge Golf Club on March 21 as 60 residents of Vista and nearby communities gathered for a discussion about the impact of homelessness in our area.

Consultants Julie Dubick and Heidi Gantwerk led the five groups in consideration of causes, approaches, and potential solutions, and the groups reported their findings to the audience afterward.

We were very pleased that Mayor Judy Ritter and Council members Amanda Rigby and John Franklin were present.

A second, North Vista, meeting will be held on Monday, April 29, at 6 p.m. in the Morris Vance Community Room, Civic Center.

The consultants will use the information to develop a master plan for Vista's sheltered and unsheltered population, for presentation to the City Council, possibly in June.

A group of Rancho Buena Vista seniors contributed to the discussion.

SOUTH VISTA COMMUNITIES AT THE BALL GAME

SVC will be visible at the Rancho Buena Vista High School Varsity Softball games this year, thanks to Rich Dimler (former SVC board member) and his wife Lisa.

They are sponsoring the softball team this year as their daughter Paige is a team member, and, as sponsors, they are entitled to a banner at the field.

Rich and Lisa very generously made the banner available for SVC. Go, Paige! Go, team! Thank you, Rich and Lisa!
