**CITY OF VISTA ASKS: WHAT IS YOUR OPINION?**

**Input Needed on High Priority Community Needs**

Over the next five years, the City will be investing money from the federal government in infrastructure, homelessness prevention and services, and public facilities and services.

Please attend and share your thoughts on the community at one of our two community forums:

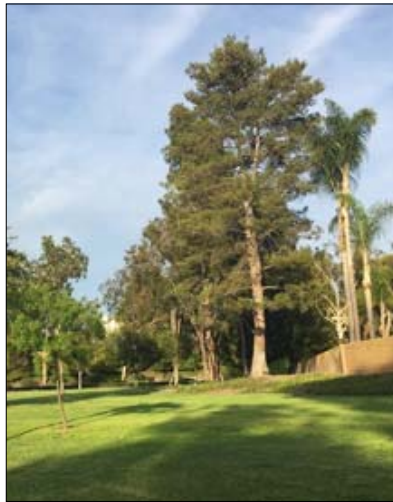

- Monday, September 16, at 6pm and Thursday, September 24, at 6pm - Located at the Morris B. Vance Community Room at 200 Civic Center Drive.

Light refreshments and activities for children will be provided.

In addition, please provide feedback via an online survey. Your voice will guide that investment and help create a healthy, safe, and thriving community in Vista. Survey Link: <https://www.surveymonkey.com/r/VistaConPlan>

## HELP "GREEN" VISTA!

The City of Vista and the Vista Garden Club are collaborating on an exciting program to add to our urban forest. Some 2,500 trees will be planted in cities in our county; each city determines when the trees will be planted.

In Vista, 300 trees will be planted in Brengle Terrace Park on Arbor Day, October 19, 9 a.m. – noon. Registration at 8:30 a.m. by the playground. Please bring your own shovel, gloves, and closed-toe shoes.

A free tree-planting workshop will be held on Tuesday, September 17, 5 p.m. – 7:30 p.m. at the Jim Porter Recreation Center in Brengle Terrace Park.
