Help us continue to pro-  
tect and improve the quality  
of life for all South Vista res-  
idents and businesses.

**THANKS AND CELEBRATION FOR JIM FRAKER**

Friends gathered on April 30 at Shadowridge Drive and Foxtail to help celebrate Jim Fraker's retirement from PCM (Professional Community Management). Jim served 38 years As Senior Community Manager for Shadowridge Owners Association.

Best wishes for the next chapter, Jim, and many thanks for helping make South Vista a most enjoyable place to live.

## UPDATE ON PALOMAR AIRPORT LAWSUIT

Dear C4FA Friends,

The City of Carlsbad has officially asked the Court to join C4FA's current lawsuit against San Diego County.

Why? Because the County keeps ignoring a 2021 Court ruling from C4FA's first lawsuit, a ruling that clearly says Carlsbad has the final say on how Palomar Airport is used and classified. Copies of C4FA and the City of Carlsbad's complaints may be found [here](#).

The City requested an emergency hearing (called an "ex parte" hearing) last Thursday, May 29 at 8:45 a.m. But, true to form, the County submitted paperwork the morning of the hearing claiming they weren't ready. As a result, the judge postponed the hearing to the regular Court calendar, which is in November 2025.

Meanwhile, the County is still trying to get the entire lawsuit (or parts of it) thrown out using various legal tactics. Those hearings have now been pushed to December 2025. These kinds of delay strategies are typical, and C4FA is fully prepared to face them.

**C4FA is pleased to have the City of Carlsbad standing with us to protect LOCAL CONTROL of Palomar Airport. The County? Not thrilled. We believe their stall tactics show they're worried, and they should be.** Just like before, they're trying to delay, drive up legal costs, and wear us down. But we're not going anywhere.

**C4FA is 100% committed to standing up for Carlsbad and North County. Court orders must be followed.** Sadly, litigation is often the only way to make sure that happens. Stay tuned. We'll keep you updated.

**Questions? Email us anytime at [c4fa.info@gmail.com](mailto:c4fa.info@gmail.com)**

Huge thanks to everyone who's donated so far! We're a 100% volunteer *Cont. P. 3 →*

## DISTRICT 4 BIKE LANES

**From Vista City Council member Dan O'Donnell:**

On May 27, the Vista City Council held a discussion about the newly installed protected bike lanes across the city. During that meeting, I made a motion to remove the most concerning sections immediately and begin evaluating the rest, including the berms and posts.

As part of that action, all berms on Melrose Drive—both northbound and southbound—from Sycamore Avenue to the southern city limits will be removed. The white delineators along that same stretch, from Sycamore to Dawson, will also be taken out.

**I'll be bringing the District 4 bike lanes back to the agenda at our June 24 Council meeting.** Since the May discussion, I've met with local cyclists, advocacy groups, and traffic deputies. Before the next meeting, I'll also be meeting with another cycling organization, our fire department, city engineers, and will do a ride-along with first responders during peak traffic hours.

My aim is to weigh expert input alongside community feedback to make a well-informed decision about the future of these bike lanes.

If you'd like to share your thoughts, please email me at [dodonnell@vista.gov](mailto:dodonnell@vista.gov) with "**District 4 Bike Lanes**" in the subject line.

Thank you for staying engaged—I look forward to hearing from you.

Kind regards,

Dan O'Donnell

Vista City Council – Dist. 4

## UPDATE ON PALOMAR AIRPORT LAWSUIT (Cont.)

group, and every single donation, big or small, helps. Litigation is expensive, and we're still a bit short. Please help us keep Palomar Airport small, safe, and community-friendly.

# TOO TOXIC TO TRASH

SAFE DISPOSAL IS EASY TO DO AND MAKES A BIG IMPACT

Household products like paint, cleaners, fertilizers/pesticides, or other household items can hurt people, fish and wildlife, if incorrectly disposed of, especially if poured down storm drains or sinks.

- Dispose of oil, paint, batteries, other chemicals at the City of Vista's Household Hazardous Waste Collection Facility
- Clean paint brushes, buckets, rags where waste can be contained e.g. portable container, then properly dispose
- Don't place wet paint in the trash bin
- For disposal options, call 800.714.1195

*You play an important role in protecting our water, wildlife & plants*
